Hi, Garrett Pierson here, Your Success Mentor and welcome to 106 Success Factors.com. I'm so excited to help you discover the secrets of the successful. In fact, I've got 106 key words, like consistent, speed, joy, happiness, and hard work; these key words I am going to be sharing with you over the next year, 106 of them to be exact.

Each time that I make a video, I'm going to share with you, for two minutes, a successful quote associated with that key word, like "consistent." I'm going to share with you my insights on what successful people do and how they are consistent, how they have speed, how they have joy, and how they have happiness. I want to share this with you.
